Hello Leo:

Thank you for writing. I am fine with the schedule that you are proposing. One question: is Hager Pacific also okay with the schedule that CBS is proposing?

Thank you for your courtesies.

Best,
Carmen

Carmen,

To follow-up our call on June 2, 2016, CBS proposes a schedule of four weeks to prepare and submit a draft annotated outline of the PCB remediation plan for the former Westinghouse apparatus repair plant in Rancho Dominguez, California. On that basis, this plan will be submitted on or before July 1, 2016. Please contact me if you have questions. Thanks.
